

Nancy S. Hughes | N.S. Hughes, Inc.

Cookbook Author | Recipe Developer | Food Photography
Food Consultant | Nutritional Analysis

Nancy S. Hughes is a bestselling author and authoritative food consultant. She has written 22 nationally published cookbooks with contributions to another 60 cookbooks. In addition to cookbooks, Nancy has extensive experience developing over 7500 recipes for food companies, food councils, food magazines and health organizations. Nancy's company, N.S. Hughes, Inc. provides a wide variety of services including recipe development, nutritional analysis, food photography, food styling, recipe testing, and general food consulting.

Nancy credits her success to more than 25 years of experience communicating and connecting with her corporate food clients. She views herself as part of each and every corporate team, working closely with them to establish new and fresh ideas, concepts, and flavors to meet their needs and budget. Clients such as:
